Player of The Year Award

The top point earner for each course will compete in the New Era Cup for the Player of The Year Award in the same group. The lowest net score that day will be crowned with the Golf Association Player of The Year Award. If the top point earner cannot play the day of the New Era Cup, then another player will be added for that team, but they will not be playing for Player of The Year Award.

Points are earned based upon participation and final placement for each event. Please check the bottom of each Event Page for the New Era Cup Points to be earned for that event.

Limited Members Participating in Golf Assoc. Events

Limited Members are eligible to compete in events with a paid Green Fee at Registration. Please look for the Limited Member Option when signing up for events. If you don't want to pay this fee, then you must become an Unlimited Member.

Open to Men & Women starting in 2019

New for 2019 – Starting this year, both Men & Women are eligible to compete in the Golf Association Events. Men, Seniors 60+, and Women will play different tees, all for the same purse (some events may play the same set of tees for all players). Handicaps will be adjusted accordingly.

Handicap Reminders

All Members are expected to post their score following their round of golf. This can be done at the handicap computer in the golf shops or online at www.GHIN.com.

New for 2019 – To make sure that all members are posting scores accurately and up to date, golfers who are playing in the Golf Association Events will be subject to the 80% Rule. Essentially you must post at least 80% of the number of rounds that we have you checked in for. If your GHIN scores do not meet this requirement, then your Handicap for an event will be subject to adjustments by the Golf Association Committee.

Active Season for Posting Scores in Ohio: March 15th to November 30th

Speak with the golf shop staff at your home course about activating your GHIN Handicap. If you are an Unlimited Member, the GHIN Handicap Fee is included in your membership. If you are a Limited Member, you will need to pay \$45 for the GHIN Handicap Fee for the season.

Tournament Scores will be posted by the member (Tournament Director will let you know which events will be eligible for Scores to post). Not all Golf Association Events will have scores eligible to post as a Tournament Score.

This year the Tournament Director, Golf Staff and Handicap Committee will be randomly reviewing daily score posting. We will compare the tee sheet with scores posted for that day. If you have any questions or concerns regarding handicaps, please email Ryan Jacocks, Ryan@NewEraGolf.com

Equitable Stroke Control (ESC)

ESC was put in place by the USGA to limit the Highest Score a player may post for any hole. It varies by handicap. The following chart outlines the MAXIMUM POSTABLE SCORE for any hole for each handicap range.

Your Current Handicap	9 or less	10 – 19	20 – 29	30 – 39	40 or more
Max Score On Any Hole	Double Bogey	7	8	9	10
